Shelter

This year's most supported charity

To all at the British Photography Awards:

Thank you so much for choosing to support Shelter.

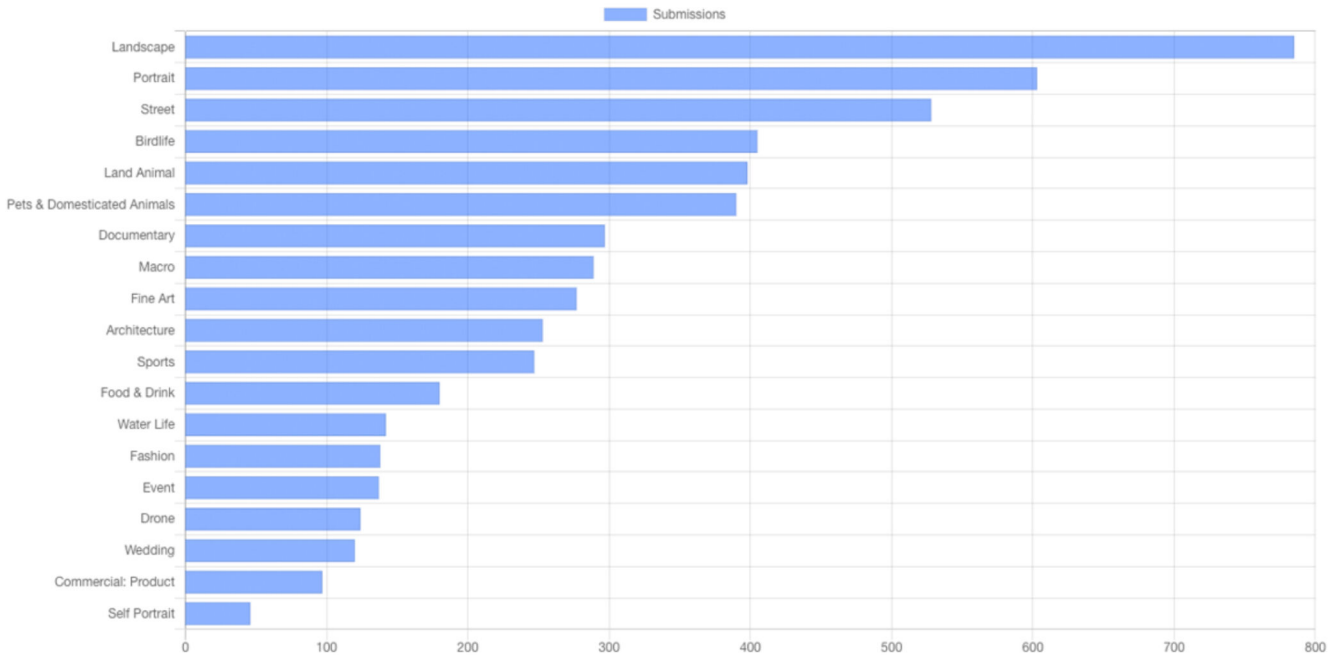

Every day, we see people who are at the sharp end of the housing emergency who do not have a place to call home. And the coronavirus pandemic has meant that right now, hundreds of thousands of people are facing a devastating economic impact. We need to be there, so that our expert advisers can save homes and futures.

Your support helped us to be the difference between someone keeping their home and losing everything. We are so grateful, thank you.

Director's Note:

After such a long few months for our community, tangible hardship, and uncertain times, it makes me very happy to be able to celebrate this year's competition and shortlist with you all.

Despite many people not having the chance to take photos as normal, or even rely on a steady income, the BPA team is incredibly touched that so many people dug so deep to support all our wonderful causes.

Working as an entirely volunteer staff through a hugely disruptive year for the Events industry, we thank you all for your patience and adaptability as we had to innovate a way to bring our fantastic selection of photographs to the world stage.

I can't wait to catch up with everyone again and hear about how your 'lost year' has been spent, but for now, let me just say a huge thank you to our judges, our sponsors, and everyone who supported our charities this year.

You made a world of difference and we could not have done this without you.

With thanks, Hugo Donnithorne-Tait

WHAT'S NEXT IN 2021?

We are looking forward to celebrating our COVID:19
Assignment work.

As a fresh departure for our community, we received
so many heartfelt and innovative projects, so stay
tuned for that showcase to follow in April 2021...
